

## WORKPLACE WELLNESS ACADEMY

An online course that provides 20+ self-care strategies, emotional first-aid techniques, and workplace wellness that actually works.

### WHY THIS COURSE IS NEEDED:

With stress and anxiety on the rise, there is no better time than now to focus on wellness. This 2 hour online course equips you and your staff with 20+ tools for less stress and more success. Government agencies, organizations, and school districts are providing support to staff by offering this online wellness course. Invest some time into well-being to decrease burnout and increase self-care.
